AGE RANGE 6-10 YEARS

This book has been designed for very easy reading out loud. When each of the characters speaks, their words are in a different style of writing, so that you know straight away who is talking.

DESCRIPTION:

Why is the rainbow getting shorter? Tillie discovers Hecatey the Hideous, King of the Hobgoblins is planning something no-one would ever think of doing, and the beautiful sprites who create the rainbows are counting on Tillie to stop him.

Stealing the thread from the rainbow to create a dazzling magic cloak, Hecatey knows when he wears it, that it has the power to suck the colour from whatever he passes - turning everything around him dull and grey. This way, the wicked hobgoblin believes he'll become the most magnificent sight in all the land. He succeeds. But in a way he doesn't expect!

The *Rainbow Weaver* is a unique picture book appealing to both children and grown-ups, reminding us that magic is for all ages, not just for little children.

AUTHOR BIOGRAPHY:

Lyndsay Russell is an artist and a photographer who lives in Kingston with husband Mike, and daughter Tippi. *The Rainbow Weaver* was born out of Lyndsay and Tippi sharing bedtime storytelling together.
